There are 3 Trustees up for rotation who are also re-standing for election. They are Chad Paraone, Ngainanga Kapa and Rihari Wiki.

Meeting proper will start promptly at 9.00am.

# Thank You!!!

We have a special commendation to the Supervisors; Johnny Everitt, Ian Smith and Simon Abraham who have stepped up in the interim to manage our farm during the recruitment for a Farm Manager. This team has ensured minimal disruption for staff, clients and our administration team.

## Organisation growth

Like the Pipiwharauoa heralding summer, we are pleased to announce the recent appointments:

### **Maria Wiki - Business Development Supervisor**

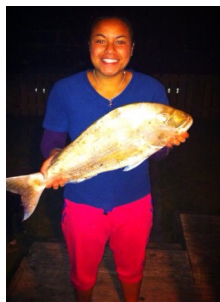

Maria is the daughter of Ossie & Wirinia Wiki from Te Kao who has returned home after working many years for the New Zealand Consulate in Australia.

Ko Maria (Sheryl) Wiki toku ingoa, he uri ahau no Te Aupouri i te taha

o toku papa, no Ngati Awa i te taha o toku mama. Although born in Auckland, most of my schooling was right here in Te Kao. I have not been blessed with any children of my own, however I have many nieces and nephews I adore and support in whatever ventures they pursue with careers and sports. I am also a passionate advocate for the revitalisation of Te Reo Maori and Tikanga. I am an active member of Te Ataarangi and until recently a teacher of adult students in Sydney for the last 6 years. It is my privilege to be appointed the Business Development Supervisor for Parengarenga Inc.

My role is to source third party funding to support project initiatives in line with our strategic plan that will in turn assist Parengarenga Inc to meet our vision to 2030. I have 30 years of experience working for NZ govt both in NZ and offshore serving the Consul-General in Sydney for the last 16 years. My work experience has varied from customer service to project management, community liaison and working alongside MFAT & NZTE.

### **Nita Kaaka-Wells - Communication Officer**

Nita will assist in the development of our website and the sectors of communication to becoming global; be our journalist.

### **Moeke Kopa—Shepherd / General hand.**

Moeke hails from Moerewa. He is a hands-on, can-do man with a great attitude. We look forward to having him on the team.

### **Mike Wikitera - Workplace Supervisor**

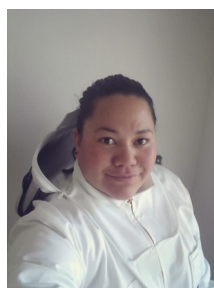

Mike who resides locally and has whakapapa to our rohe brings a diverse range of skills. He will deal with Health and Safety, Training and Biosecurity matters. Mike will be joining the team next month.

### **Not so recent..**

### **Nik Karena - Administration Assistant**

At the frontline you'll be greeted by our friendly and capable Administration Assistant. Nik brings a wealth of skills to our personnel and able to assist you with any queries. Nik is also responsible for our Asset Register and our Events organizer.

### **Phyllis Kapa - Beekeeper**

Phyllis supervises the tree planting, maintains the apiculture relationship and developments with our key stakeholders.

# Farm

Without a say in the weather and the wet conditions, we have started out on a very positive note producing a beautiful flock of flourishing lambs. The calving is well on its way and we are working hard to facilitate two main areas on our farm, water and drainage. By assisting these areas, we aim to increase access to more parts of the farm. In the last few months, we have made some necessary purchases such as replacing our 30 year old tractor. We have also purchased an excavator to support the drainage programme, roading on the farm and reducing sediment into our harbour.

# Apiculture

Our Bee Keeper Phyllis Kapa has been doing a fantastic job with our bees and hives. Although the season is wet, the bees are still very active and thriving. Our manuka has started to flower which is a very sure sign that we

are well on our way to successful season. We have planted over 220K manuka trees in the last 12 months. Our goal is to plant another 100K trees every year for the next 3 years. This operation will provide excellent job opportunities for our local community.

# Forestry

Our forestry is due to be thinned and we are in the process of forming our thinning operation. By doing this, we hope to entice a diverse group of people and see this as a new opportunity for our community. We will have some experienced workers in thinning, who can share their knowledge to the younger generation - Mike Wikitera, a man experienced in many fields such as training and health and safety will also be a huge asset to this process. Overall the forest thinning is moving positively forward. We are presently in negotiation with Juken New Zealand Limited (JNL) and Mt Pokaka Timber Products Ltd with the thinning and thinning to waste of our trees and steadily working on the operation to see more progress within the near future.

# Supporting our community

Te Kura o Te Kao has requested a Committee member sit on their Board of Trustees alongside Committee members of "other" local entities, which our Deputy Chair, Ngainanga will fulfill. This opportunity is for us to invest in the wellbeing of our tamari-ki for the continuity of our Iwi.

We continue to support our local Kura, Kohanga, sports club, Aupouri youth trust, Clinic - Whakawhiti

# Towards 2030

Looking towards the future! Parengarenga Inc has established a Strategic plan that provides us with our vision, core values, purpose, and goals. Over the next few years, we intend on working hard to accomplish the above elements. In accordance with our business plan (2030) we are exploring the opportunities; to expand and increase our people, and our skills in all areas. We plan to grow and spread productivity across our farmland, and analyse the potential in the Forestry sector. We also intend to develop our knowledge and ability in Apiculture as well as exploring the various opportunities in horticulture and tourism.

# Youth

Deputy chair Ngainanga Kapa is working hard to develop and enhance the theme 'One Day It Will Be Yours.' Ngainanga is working on the vision and assets of Parengarenga Incorporation. By doing this, she will be working with our local Kura a Iwi to give our tamariki a better understanding of how significant our assets are. She has many great activities in store for them such as excursions that will allow them to see the full range of work opportunities in our society. From gaining this knowledge, they will know what use they have of these assets in the future.

# Reminders

prits.

- Dumping of rubbish in any area of the Incorporation is strictly prohibited. Police will be contacted, and fines applied. We reserve the right to publicly name and shame any culprits.

- Fire ban in place - go to: [havingafire.org.nz](http://havingafire.org.nz) for information about current fire restrictions or if you wish to apply for a fire permit.

# Amalgamation Update

We continue to work with the Maori Land Court to produce a process moving forward with our amalgamation. We are progressing which is very encouraging.

# Takutai Moana

As announced at the 2017 AGM, we are perusing foreshore title through the high court under the MACCA process. Simply we are claiming the title of foreshore that abuts our whenua on both coasts and within Parengarenga Harbour. Our claim continues to be a steady progress and in due course, a progress report will be forthcoming.
